

REMARKS

In response to the Office Action mailed April 27, 2007, Applicants respectfully request reconsideration of the Application in view of the foregoing Amendments and the following Remarks. The claims as now presented are believed to be in allowable condition.

Claims 1-14 are canceled. Claim 15 has been amended. Claims 17-23 have been newly added to depend from claim 15. Claims 15 and 16 remain of which claim 15 is an independent claim.

Rejection of Claims 1-3 and 7-9 under 35 U.S.C. §103(a)

Claims 1-3 and 7-9 are rejected under 35 U.S.C. §103(a) as being unpatentable over Korean Patent Application No. 1020000025857 to Lee (hereafter referred to as "Lee").

Claims 1-3 and 7-9 have been canceled.

Rejection of Claims 4 and 5 under 35 U.S.C. §103(a)

Claims 4 and 5 are rejected under 35 U.S.C. §103(a) as being unpatentable over Lee in view of U.S. Patent No. 6,907,611 to Konno et al.

Claims 4 and 5 have been canceled.

Allowable Subject Matter

Claims 15 and 16 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Claim 15 has been so amended.

Claim 16, which depends from and further limits claim 15, is allowable for at least the same reasons that claim 15 is allowable as stated above.

Newly Added Claims

Claims 17-23, which depend from and further limit claim 15, are allowable for at least the same reasons that claim 15 is allowable as stated above.

Conclusions

In view of the foregoing amendments and remarks, this application should now be in condition for allowance. A notice to this effect is respectfully requested. Please feel free to contact the undersigned should any questions arise with respect to this case that may be addressed by telephone.

Respectfully submitted,
for the Applicant(s)
